After many requests for more instructive events the association has arranged a Philatelic Seminar for **Saturday 27 January 2018 at Henry Dixon Hall, Rivenhall.**

This Seminar is designed to assist and advise collectors to make more of their collections.

It is being called '**Preparing to Display your Collection to Societies and Traditional Philately**'. We will cover how to prepare your collection for displaying to your own and other local societies we will also talk about Traditional Philately and how to collect.

We have Tony and Lindy Bosworth as our speakers for the above subject. They are very knowledgeable and entertaining.

There will be plenty of opportunities to ask plenty of questions.

We hope that you will also bring along some material that you would like help and advice on.

We would like you bring along some of your own material along to display and ask questions.

The cost will be £25.00p per person. This will include morning coffee, afternoon tea and lunch.

It is hoped that the day will help to give people the enthusiasm and interest to collect Postal history and to exhibit their collections to fellow members.

The times for the workshop will be starting at 9.30am and finishing approximately 4.30pm.

If you would like to attend, please complete & return the application form as soon as possible.

Yours sincerely,

R. E. HOW.
Workshop Organiser.
